

CITY OF RANCHO MIRAGE
ADA PUBLIC NOTICE

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (“ADA”), the City of Rancho Mirage and its affiliated agencies, including but not limited to the Rancho Mirage Redevelopment Successor Agency, Rancho Mirage Housing Authority and Rancho Mirage Library (collectively referred to as the “City”), will not discriminate against qualified persons with disabilities on the basis of disability in its services, programs, or activities.

Effective Communication: The City will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the City’s programs, services and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The City will make all reasonable modifications to policies and programs to ensure that qualified persons with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, persons with service animals are welcomed in the City offices, even where pets are generally prohibited.

Any qualified person with a disability who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of the City, should contact the office of the program, service or activity coordinator, or the ADA Coordinator listed below, as soon as possible, but not later than 48 hours before the scheduled event.

The ADA does not require the City to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of the City is not accessible to qualified persons with disabilities should be directed to:
