

**Rancho Mirage Emergency Preparedness Commission**  
Presents  
**Scams, Schemes & Damn Machines!**  
**Keeping your personal information secure in a cybercrime world**

America is at the epicenter of a mushrooming global cybercrime industry that is projected to reach \$1 trillion in revenues annually by 2020 - larger than the economies of all but sixteen of the world's nations. The security of your personal information is at risk, but ultimately is in your hands.

**Please join James McFarlin,**  
cybersecurity author and popular speaker, for an interactive, visual learning session and start taking the proper steps to protect your identity and assets.

**Tuesday, February 2, 2015**  
**2-3:15 p.m.**  
**Rancho Mirage Public Library**  
**71-100 Highway 111**

Computers not necessary. Reservations not required.
